Sir:

Prior to examination of the application on the merits, please amend the above-identified application as follows.

IN THE SPECIFICATION

Between pages 4 and 5, paragraph No. 0010, please replace the entire paragraph with the following:

A1
--[0010] Therefore, it is desirable to provide a system, method and computer program product that provides secured ticketing in a communications device, such as e.g., personal trusted device using a tamper-resistant security element. The system, method and computer program product of the embodiment of present invention disclosed herein address this need.--

Between pages 5 and 6, paragraph No. 0015, please replace the entire paragraph with the following:

A2 --[0015] The accompanying figures illustrate the details of the method, system
